

# HAM RADIO CLASS!!!

GENERAL  
CLASS

GENERAL  
CLASS

Amateur Radio (ham radio) is a popular hobby and service that brings people, electronics and communication together. People use ham radio to talk across town, around the world, or even into space. It's fun, social, educational, and can be a lifeline during times of need.

This 8 week class includes all you need to know to pass your 35-question FCC **General Class** Exam...

- Introduction to Ham Radio
- Procedures & Practices
- Rules & Regulations
- Electrical Components & Circuits
- Signals, Modes and Equipment
- Antennas
- Propagation
- Electrical & RF Safety
