

Bitterroot Stone Soup Kitchen Project

because starving families make awful neighbors

**This facility is a sponsoring participant.
Ask here for more information.**

or: www.BitterrootBugle.com - Stone Soup Kitchen Project

In case of disaster, The Bitterroot may be on its own for an extended time.
Red Cross, FEMA and others will have their hands full in populated areas.
It is up to us to prepare ourselves and our community.

KITCHENS

Facilities able to provide at least one meal daily for the hungry, and prepared to protect donor anonymity.

YOU

Include your local soup kitchen in your pantry, by stocking extra beans, rice, dried and canned food.

ASK

*What does the kitchen need, want, wish for?
What can you do to help?*
